

*Mto Moyoni is a retreat centre on the banks of the river Nile in Uganda. Ingrid Wilts, a missionary, started this centre in 2003. In Swahili the name Mto Moyoni means: 'river trough the heart', and this name also expresses the goal of the centre: to offer Christian workers a time of peace and quiet to experience that the Spirit of Gods wants to flow like a river through their hearts. Ingrid works together with Winette Hubregtse. In Uganda Mto Moyoni is registered as an NGO. In the Netherlands their work is supported by the Friends of Mto Moyoni foundation.*

**One week in Holland**

May 2007 Ingrid and Winette have been visiting family in Holland for one week.

They could also attend the board meeting of May 14. It is heart-warming to see each other again and to be able to talk about the work of Mto Moyoni in Uganda. We shared stories about staff members and guests, but above all about Gods work in our lives and the lives of people around us.

See us on our first photo together.

**The gardener of Mto Moyoni**

Our gardener Emauel is working here now for half a year.

During the last Transformation week God showed him that he was going to tell people about the Lord. He told us: "Therefore I have to go back to the war zone I left". We didn't felt good about this, since he is still very vulnerable. He was kidnapped twice by the rebels, and still needs a lot of healing. We advised him to wait for Gods timing.

This morning he told me about a dream he had last night. God gave him Psalm 37 in his dream: "Wait for the Lord".

During his dream he saw himself in a building in front of a lot of people, black as well as white.

The building was build on our second plot.

There were also people of his own tribe, out of the north of Uganda.

He was very happy and told me: "I am ready to wait and now I know that I am doing Gods work, even if I work garden. I want to learn as much as possible because I know that God is going to use me in this ministry".

Wonderful, another staff member who knows that he has to be here, no matter what your work is.

Man of God are trained amongst the sheep, or in this case: in the garden.

In August Mto Moyoni will be closed for a week, since the staff will be joining TACF Leader school in Kenya.

We wish you a good vacation.

Greetings, Ingrid June 2007.

## He has a plan for each of us

After years a wish came through to visit Mto Moyoni. Ten days we were the guests of Ingrid and Winette. We had a great time.

Mto Moyoni is a wonderful place situated on the Nile. It makes one think of paradise: beautiful views, the birds all around you, everything so pure that one easily sees the Creator in it. We attended a Transformation week. The lessons stimulated us to look for Gods presence in our lives and to discover the thoughts Father God has about us.

With each of us he has a special plan and He wants to liberate us so we can do His will. We experienced this liberation very concretely and are glad for the keys we received to live more out off the Father heart of God.

We also visited the two new plots of land, and we are impressed by the vision and plans that Ingrid and Winette have for the future. We also see the great blessing that is of Mto Moyoni and are thankful for the time that God has given us here.

## Financial difficulties

Usually we don't talk about the finances of Mto Moyoni.

We trust God to provide!

But...this time we want to share our worries with you.

Our financial report in the last newsletter showed Ingrid's support for living expenses.

Winette had her own support group by people from Sliedrecht.

Recently some of them had to stop their gifts and therefore we are urgently looking for friends who want to support Winette financially on a regular basis.

Please think about this need!

She can be supported by transferring money to Friends of Mto Moyoni, mentioning: "Winette".

We thank you for it.

"Last week I attended a retreat in Jinja. God surprised my heart. On the banks of the Nile I learned again to surrender to God, and just to be with my Father. He pulled me close to His heart. In Him I found peace and security and for the first time in many years felt I could inhale fresh pure air."

"Greetings in the name of Jesus, we hope everything is all right with you. It is almost impossible to explain what God is doing in our lives during this Transformation week. We can not describe the freedom we experience now. Our marriage has changed since we met our Perfect Father. We tell everybody who visits us about the Fatherheart of God and his great love for His children. We tell them about the changes in our lives and it is great to do this".

The program from September 29 till October 12 consists of the conference in Mto Moyoni.

Besides the conference there is room for contemplation, rest, enjoying God's creation and visiting sites in the neighbourhood.

The trip will be organised by Jabboklifeadventures.

### A real choice

Many things happened in my life. So I decide to quit believing. After school I started as a cook in a restaurant. That was a tough world! When I saved enough money I took the change to visit Ingrid in Uganda. During the first week I saw God was doing beautiful things around me.

When I started helping out in the housekeeping at Mto Moyoni I discovered that I was very tired and stressed deep inside.

Ingrid and Winette were invited to lead a Transformation week for Youth in Entebbe. I could join them but that mend that I really had to make a choice for God and give my heart to Him. With a lot of struggle that is what I decided to do. Than slowly everything started to change.

I had to forgive lots of people for the things they did to me in the past, and took it all to God. That was a big relief! Those are not my problems anymore! I feel now more peaceful inside, and I can do things without any stress and that is wonderful. I feel that God is changing me for the best. I don't know exactly what I will be doing, but I am sure about one thing: That I never want to live without God anymore. He has a beautiful plan for my future that fits me just right. I am thankful that I can learn again to enjoy life because life is so beautiful, but sometimes one has to be reminded of that.

Thank you, with much love Celine.
